

Air Marshal Association Foundation 2018

Student Leadership Scholarship

Information and Application

I am pleased to announce the Air Marshal Association Foundation 2018 Student Leadership Scholarships, which reward and encourage emerging leaders from our extended Air Marshal family.

We all recognize the importance of higher education and understand the ever-growing costs associated with such an investment. As parents, mentors and role models, we must encourage and develop emerging leaders capable of creating positive change through vision, courage and commitment. The AMA Foundation is dedicated to helping our future leaders achieve their educational goals.

By supporting our posterity, we are investing in the future of this great nation.

Fraternally,
